GEN. DRUM TO ENTERTAIN

Million Dollar Band of 41st Division Will Play for Ball Night of November 11.

MINNEAPOLIS, Minn., Nov. 8.—Lectures, boxing contests, balls and a mammoth parade are planned as the "high lights" in the national convention of the American Legion to be held here November 10, 11, 12. The parade will be held on the afternoon of Armistice Day, November 11, and details have just been announced by C. A. Lyman, chairman of the parade committee.

Twenty thousand persons are expected to be in line ready to start from Gateway Park at 2 o'clock. War camp community girls stationed along the entire line of march will sing as the parade is passing.

It is to be led by mounted police and the new first field artillery in command of Col. George E. Leach. This unit is to comprise the former fourth Minnesota infantry and the men who have enlisted since the infantry regiment was transferred to Colonel Leach's command. Next in line will be the distinguished visitors, marching within a hollow square

formed by legion delegates. Following them the sixth Minnesota infantry of 1914 will lead the next division.

To Decorate Two Marines. At the parade grounds the marchers will break rank and a program of brief addresses will be given by some of the distinguished visitors. Two marines will be presented with decorations awarded for valor in action.

Monday night November 10, the delegates are invited to attend a theater party or a boxing exhibition in which Bob Martin, heavyweight champion of the American expeditionary force, will participate. That same evening, Maj. Gen. H. A. Drum, formerly commander of the first division, later chief of staff of the first American army and now chief instructor of the officers' school at Fort Leavenworth, Kans., will show motion and stereograph pictures of the activities of the first division on the firing line in France.

A ball for the soldiers will be given Tuesday night with dancing partners promised for every veteran and music by several bands, including the "million dollar" band of the Minnesota division and the 41st field artillery band of Minnesota.

Sure Way to Get Rid of Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid avon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and itching of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid avon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.—Advt.
